Resume Skills

Increase your interview chances by adding the most in-demand skills to your resume—backed by data from 10 million real job descriptions.

Optimize your resume

[Skip to content](#)

The data in these reports was pulled from Jobscan's database of more than 10 million job descriptions and 17 million resumes.

We analyzed real job listings to find the skills that employers want the most. Then we analyzed resumes to see which skills appeared most frequently.

Armed with this knowledge, job seekers can easily tailor their resumes and cover letters to highlight the most relevant skills for each job they apply to.
